

GREAT SKIN EVERYWHERE SET

WITH THE GREAT SKIN EVERYWHERE BUNDLE, *slough away dead skin cells and remove impurities left on your skin after cleansing to prepare it for the rest of your beauty routine!*

1. ENZYME EXFOLIATOR

This lightweight rinse-off exfoliant sloughs away dead skin cells to quickly unclog pores, boost circulation and lymphatic drainage, and even out skin tone. Collagen production is stimulated for an overall smoother complexion and radiant tone.

After cleansing, apply a blueberry-sized amount on damp skin. Gently massage in circular motions with your fingertips. Rinse off thoroughly with water. Use once or twice a week.

2. VIT-C TONER

A revitalizing and antioxidant-rich toner that will instantly refresh dull skin and enhance skin's natural glow. Supercharged with stabilised Vitamin C for its antioxidants and anti-ageing properties, and a complex of seven natural plant extracts to soothe the skin and reinforce the skin barrier.

After cleansing and exfoliating, pour 3-5 shakes onto a cotton pad. Apply using gentle sweeping strokes over the entire face.

3. ELIXIR LOTION

This lotion boasts a lightweight formula that harnesses the power of nature with a unique concoction of patented herbal complex and botanical actives to overcome any skin instabilities and deliver clear, fresh and supple skin.

Prepare your skin for the next step by applying 2-3 drops over cleansed skin. Spread with fingers over entire face, neck and décolletage and pat lotion gently into skin till fully absorbed.
